Call to Order

Principal's Report

[No Principal's Report for this meeting]

Treasurer's Report

[All financials are the same as last month, except for the addition of 33 new PTA members]

Approve September Minutes

[Liz motioned, Heidi seconded, Unanimously approved]

Old Business

- Book Fair Oct 19-30 [Lora has messaging and flyers for each stage of the virtual fair as it progresses. She will handle the free book for each student portion by sending information to the teachers and students.]
- Fun Run Start Date and Donation Method [Fun Run will be in Nov this year, so that it does not overlap with the Book Fair. We need to set up a donation link, and families will be asked to do a virtual run and a suggested donation of \$20/25, if they are able. This is more about keeping the event than it is about raising large sums of money. The goal for the year is \$5000 versus \$20,000 in years past.]
- Food Pantry Fundraiser [Sarah Plamann will reach out to Sara Luke about how to progress and we will need to then put out a request for more donations. Also, we will need to talk to the school/Mr. K to see what is the best way to progress over the winter months because of the issue of freezing food with the pantry being outside.]

New Business

- None at this Time [Ericka Napoli attended to discuss Box Tops and expectations for this year. The beginning of November is the next deadline. We will send out communication reminders with the new info.]
